

## Willi Dansgaard centenary symposium:

### Application for a grant to cover travel cost and/or registration costs

We have funding from the Carlsberg Foundation to cover grants to approx. 10 international Early-Career Scientists (student, PhD candidate, or a practising scientist who received their highest certificate within the past seven years) by August 28<sup>th</sup>, 2022, not counting periods of parental leave and similar). Please enclose a one-page CV and publication list. Presenting authors have priority in case we cannot support all applications, so consider submitting an abstract as well.

I apply for an ESR travel grant: \_\_\_\_\_

In addition, we have travel grants available for 2 scientists, 2 students, and 2 educators from Greenland. To be eligible, applicants must either reside in Greenland or work/study elsewhere and have a Greenlandic background. Scientists: Please enclose a one-page CV with details on Greenlandic affiliation and publication list. Students and educators: Please enclose a short letter of motivation and provide details on Greenlandic affiliation.

I apply for a travel grant for participants from Greenland: \_\_\_\_\_
